

High Voltage DC Contactor (EV Relay) (60A~350A)

No.	Features	Specification
1	Contact arrangement	1 Form A
2	Rated current	60A, 120A, 200A, 250A, 300A, 350A
3	Rated voltage (DC)	750V-900VDC
4	Ceramic hermetically sealed	
5	Instant gas distinguishing with filled gas	
6	Energy saving by proprietary PWM controls	
7	Optional auxiliary contact	
8	Space saving with smaller size, lighter weight and easy mounting	

Application: HEV, EV cars & trucks, charging station, battery packs
